Hastinapuram, Hyderabad, India

SUMMARY

I am a B.Tech student specializing in Computer Science with a focus on Artificial Intelligence and Machine Learning. I am passionate about learning emerging technologies and developing problem-solving skills through programming and real-world applications. I am eager to contribute to innovative projects, enhance my technical expertise, and grow as a valuable member of a dynamic team.

EDUCATION

Sreyas Institute of Engineering and Technology

Bachelor of Technology in Computer Science and Engineering (AIML)

Narayana junior college

MPC

SPR school of excellence

Primary Education

Hyderabad, India

Pursuing

Hyderabad, India

2022-2024

Miryalaguda

TECHNICAL SKILLS

Languages: Python

Web Development: HTML(BASICS)

Specializations : Machine learning ,Artificial intelligence

SOFT SKILLS

Time management

Problem Solving

Creative

Adaptability

PROJECTS

1. Plastic Waste Recycling into Sustainable Construction Materials | Team Project

Collaborated with a team to design and develop a web application promoting recycling of plastic waste into construction Materials.

Developed responsive web pages using HTML, CSS, and JavaScript.

Presented the recycling process, environmental impact, and sustainable construction applications.

Contributed to website development, content integration, and testing to improve usability.

Deployed the application using Render.

Tech Stack: HTML, CSS, JavaScript, Render, Flask.

CERTIFICATIONS

- *Certificate* of completion in OOPs in Java
- Certificate of completion in Introduction to cyber security
- Certification of Completion of AI in action Job Simulation DEC-2025
- **TATA FORAGE:** GenAI Powered Data Analytics job Simulation DEC-2025
- **JPMORGAN CHASE&CO:** Software engineering in Job Simulation JAN-2026

ACHIEVEMENTS

- Successfully Completed AI Workshop and Hackathon on the Future is AI organised by Vardhaman college of engineering
- Secured Top 3 in a Two-Day Robotics hands on learning and practical exposure workshop in sreyas institute of engineering and technology
- Qualified for the internal round of Smart india Hackathon (SIH) in sreyas institute of engineering and technology
- Finalists in AI Innovation Workshop 2026 organized by Osmania University, in collaboration with ADDA247.
